qathet

REGIONAL DISTRICT

STRATEGIC PLAN 2020-2023

VISION STATEMENT

Working collaboratively for the common good to support a thriving, inclusive and sustainable community.

MISSION STATEMENT

Provide our community with a voice and leadership in the delivery of sustainable local government services.

STRATEGIC PRIORITIES

CLIMATE CHANGE

- › Respect climate change mitigation and adaptation
- › Factor climate change impacts into our decision making
- › Explore possibilities for the provision of community water of sufficient quantity and quality in the Electoral Areas

ECONOMIC ENHANCEMENT

- › Identify systems and structure that stimulates economic development
- › Conserve all economic enabling assets and services
- › Work with our neighbours to promote regional collaboration

RECREATION AND CULTURE

- › Support the protection of publicly accessible trails
- › Cultivate the protection of parks and greenspace
- › Champion community and cultural events

SOCIAL PLANNING

- › Participate and advocate for interests in social, cultural, economic and environmental affairs
- › Connect the at risk, vulnerable and underprivileged to resources that they need
- › Plan and advocate for housing diversity

SAFETY STEWARDSHIP

- › Ensure proactive emergency preparedness
- › Continually improve upon employee health and safety
- › Foster and raise awareness for the safety and resiliency of residents

GOVERNANCE/ MANAGEMENT EXCELLENCE

- › Ensure we have the systems in place for engaging communication
- › Effectively plan for and manage existing and new assets
- › Make decisions with consideration to risk, costs, health and safety, and long term sustainability
