## MEMORANDUM

---

**DATE:** June 25, 2021

**TO:** Residents of Lasqueti Island

**FROM:** Island Health

**RE:** Last Chance! Lasqueti COVID-19 Vaccine Clinics June 25-26

---

**Reminder to residents of Lasqueti Island:** Island Health's COVID-19 vaccine clinic is in your community today and tomorrow at the Judith Fisher Centre. This clinic is taking place on Friday, June 25 and Saturday, June 26.

**This is your last chance to get your shot in your home community.** This clinic is for people age 12 and up needing a first dose, and for anyone ready for your second dose (if you received a first dose more than 4 weeks ago).

While we encourage everyone to book an appointment to guarantee you can get in, **we are also accepting walk-ins** to ensure the clinic is as accessible as possible. Please note walk-ins may be limited due to limited supply, so appointments are recommended.

To book a last minute appointment, call 1-833-838-2323 and let the agent know you want to book into the Whole Community Clinic at the Judith Fisher Centre on Lasqueti Island.

**The clinic will take place Friday, June 25 from 10:00 a.m. to 6:00 p.m. and Saturday, June 26 from 9:00 a.m. to 4:00 p.m.**

If you have any questions, please contact Melanie Stack, Area Director Immunization Clinics, at [Melanie.Stack@viha.ca](mailto:Melanie.Stack@viha.ca) or 250-880-0595.
