SECTION 1 – INTERPRETATION

In this Bylaw:

| | |
|---------------------------|--|
| DWELLING UNIT | means a self-contained unit used as a residence for a single household and containing a single set of facilities designed, occupied or intended for food preparation and eating, sleeping, and living. |
| SINGLE FAMILY RESIDENTIAL | means a parcel of land that contains or is intended for one building or mobile home containing one single-family DWELLING UNIT. |
| MULTI-FAMILY RESIDENTIAL | means land intended for use for residential purposes and that is intended to contain more than one DWELLING UNIT. |
| NON-RESIDENTIAL | means land that contains or is intended for any use that is not primarily residential or rural residential use, including mixed use. |
| OTHER | means a parcel of land that contains or is intended for NON-RESIDENTIAL or MULTI-FAMILY RESIDENTIAL purposes. |
| MAXIMUM DAY DEMAND | means the maximum water demand that can be expected from the NON-RESIDENTIAL or MULTI-FAMILY RESIDENTIAL units on any given day occurring over a one-year period. |
| UNIT | means a self-contained DWELLING UNIT or a NON-RESIDENTIAL building or structure. |

SCHEDULE "A"
